VACANT PLOT MENACE

Clear water from vacant plots, municipality tells owners

SPECIAL CORRESPONDENT

PUDUCHERRY: The Oulgaret Municipality on Monday issued a warning to the owners of vacant plots not to keep flood water stagnated.

Commissioner M.S. Ramesh said the municipality has been taking all-efforts to enable free flow of water by removing blocks on canals and drains and to prevent the spread of any waterborne disease.

In a press release, he said water stagnation in compounded empty plots is posing health hazards and risk of waterborne diseases. Apart from that, water-logging in pits dug for laying basement is also likely to be a cause for spread of endemic diseases.

Public asked to send particulars to 9443371671 through WhatsApp

"Plot-owners should come forward to remove the water from their sites within three days. Otherwise, apart from initiating stringent action, the municipality will arrange to bail out the water and recover the expenses for pumping work from the party," said Mr. Ramesh.

He appealed to the public to send picture of any plot which has been water-logged or other particular to 9443371671 through WhatsApp.

Consequent to the Flood in 2015 all the vacant plots in the low lying areas inundated with rain water causing nuisance to the general public. Through Press Release they were all directed to bail out the stagnated water at their cost.
