No request for online participation was received from any other bidders. The clarifications / demand raised by the bidder an decision of the Tender Committee are as follows:

Sl.No.	Demand / Clarification / Objection made by the Bidder	Decision taken by the Committee
1.	Performing euthanasiation of stray dogs which are sick, rabid and rogue is against the norms of Animal Welfare Board of India.	The scope of work has since been revised as hereunder: "Sterilization (ABC), ARV & De-worming including catching, post-operative care, releasing, etc., complete". Accordingly, an Amendment to the RFP document has been issued and hosted in the Municipal website (www.oulmun.in). Copy of the Amendment is enclosed.
2.	The EMD Amount of Rs.1,00,000/- is on higher side and it may not be possible to all the bidders to remit such high EMD and requested to reduce it to affordable limit. Further, it was requested to refund the EMD amount post execution of Agreement and not to withhold it for two years.	i) The Bidder shall be required to pay EMD as mentioned in the RFP. ii) However, EMD will be refunded to the successful bidder on execution of Agreement and payment of Performance Guarantee.

3.	Performance guarantee on higher side as it was calculated @ 3000 Nos. of dogs to be treated and ABC to be performed for the period of 24 months. It was requested to reduce the Performance Guarantee amount suitably since the amount will be held up for a period of two years.	It is decided to obtain Performance Guarantee at 5% of quoted rate and to calculate for 375 dogs i.e the expected ABC to be done in a period of three months. The PG calculated shall be remitted before execution of Agreement/issue of work order and remain valid for a period of two years.
4.	The eligibility criteria of conducting 1000 ABC in the last five years may be reduced suitably, so that more number of bidders may actually participate and the rates could be more competitive.	The Tender Committee decided to amend the Qualifying Criteria as hereunder: "The bidder must have taken up the work of catching of stray dogs, implementing the Animal Birth Control (ABC) / Anti Rabes Vaccination (ARV) Programme for more than 500 dogs during the past five years (2015 to 2019) in any Local Body in India and details must be given in Form -5. The cumulative Number of ABC's undertaken for the five years from 2015 to 2019 shall be considered for evaluation".

The Tender Committee directed to host the minutes of the Pre-bid meeting in the Municipal website (www.oulmun.in) and the e-procurement website (www.pudutender.in) for information of all the bidders.
